Auditor General's report

Audit opinion – Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my review, in my opinion no matters have come to my attention giving cause for concern that in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislation and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis for Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly presents the Council's transactions and financial position:

- I am unable to verify the Clerk's pay to the contract of employment and cannot therefore validate salary payments. The contract of employment does not adequately set out the terms and conditions of employment in respect of working hours and rates of pay.

Annual Governance Statement

In my opinion, the disclosures made in the Annual Governance Statement are inconsistent with the Council's governance arrangements:

- Assertion 2: The Council states that it has maintained an adequate system of internal control. It is not possible to identify what payments have been approved by the Council from the information presented with the Council's minutes.
- Assertion 3: The Council states it has complied with relevant laws. My audit identified The Council states it has complied with relevant laws and procedures. However, the Council does not publish on its website the information related to its minutes, notices, accounts and other documents that it is required to publish electronically by the Local Government (Democracy) (Wales) Act 2013.

Arrangements to secure economy, efficiency and effectiveness in its use of resources

In my opinion, the Council does not have proper arrangements to secure value for money:

- The Council has not adopted reasonable thresholds for obtaining quotations or tenders.

Other matters arising and recommendations

There are no further matters that I wish to draw to the Council's attention.
